Suit for Damages

The damage suit of Edward Herron against C. F. Foster was tried before a jury in Judge Buck's court Thursday. Last March the plaintiff was in the employ of Foster who was building a house at Burlingame. A portion of the roof fell down and seriously injured Herron. He brought a suit for damages in the justice's court of San Mateo and was awarded damages in the sum of $150 by Judge Carson. The jury on Thursday brought in a verdict for $299.99 the sum originally sued for. It was shown that Foster permitted the plaintiff to work on the building knowing it was unsafe. Hall C. Ross and Assistant United States District Attorney A. P. Black appeared for Foster while Herron was represented by C. N. Kirkbride and Leslie Johnston.

Soon Ready for Business

The Ocean Shore Railway Company promises to be equipped to carry passengers to the foot of San Pedro Mountains within two weeks, or in other words as far as the tunnel. Two big four horse buses have been secured by Half Moon Bay Real Estate men to carry their patrons from there to their townsites. Work on the tunnel is progressing rapidly, great advancement having been made during the past week.

Congregational Bazaar

The ladies in charge of the program of the Congregational fair at the Alhambra, Thursday Friday and Saturday of next week have arranged for three evenings of pleasurable enjoyment. The first evening the two act farce "Mr. Bob" will be presented. The pranks of two college girls, the fondness of the maiden aunt for cats and her efforts to keep from her nephew her plans for the future welfare of her pets, the staid butler and stage struck maid, create many absurd situations which are well worked out by the following cast. Emil Kaleschke as Philip Royson, Melvin Turner, Robt Braun, W. A. Shrewsbury, Jenkins; Mrs. C. Turner, Rebecca Luke; Mrs. F. H. Thorpe, Kathrine Rodgers; Miss Alma Nobs, Marion Bryant; and Miss Jessie Turner, Patty.

Between the acts the girls glee club from the eighth grade of the Grammar School will sing.

Friday evening there will be a musical treat. Prof. O. M. Carrington, Miss May Durham and several of his other pupils and Miss Bernhart, will present a program of vocal and instrumental music. Saturday evening under the direction of Mrs. and Miss Turner, and will be childrens night. The feature of the evening will be a flag drill by 24 of the older girls and there will be a doll drill by the little tots and vocal and instrumental music by other children.

Those getting up the program have worked hard and their efforts and those taking part should be rewarded by a large attendance each night.

SUPERVISORS IN SESSION

Proceedings Had at Monday's Meeting

The Board of Supervisors met in regular session Monday. All the members were present.

This being the time fixed by law for making the tax levy for the fiscal year the auditor's statement was read,

Superintendent of Schools Roy W. Cloud addressed the Board in behalf of the teachers of the County. He asked that the school fund be raised from 17 to 23 cents on the $100. He showed that San Mateo County was the lowest rate of any in the State and the teachers were paid the lowest salary. The average salary of the teachers of the state was $72 while San Mateo teachers were only paid $61. He made a strong appeal to the Board to raise the rate in order thatthe salary of the teachers might be raised from ten to twenty per cent. He explained that there was a deficit last year of $11,-000. By the raise the School Fund would receive $54,000, besides what it would get from the State. He was certain that the sum would maintain the schools in good condition and secure an efficient corps of teachers.

Attorney C. N. Kirkbride of San Mateo read a lengthy petition from all the teachers of the county asking for an increase in their salaries. Mr. Kirkbride read from the report of the State Superintendent of schools showiing that the salaries of the teachers of the county were lower than any in the State, with two single exceptions. In order that San Mateo Count should get good teachers paid. The cost of living was more better salaries would have to be paid. The cost of living was more than formerly and the expenses of teachers were greater. If no provision were made towards giving better pay the efficient teachers of the county would go elsewhere. He strongly urged the Supervisors to adopt the estimate of the Auditor, to-wit 23 cents.

Geo. W. Hall, principal of the grammar school of San Mateo made a strong plea for the raise and presented some convincing figures. He said the price of board and lodging was $35 per month. Mr. Hall declared that Japanses servants were getting better pay than many of the teachers.

Geo. C. Ross delivered an eloquent address in behalf of the raise. He pointed out the seriousness of the question showing that if good work were expected in the schools capable teachers should be employed at fair salarise. He maintained that if the work was poorly done in the grammar grades, the boys and girls would make poor pupils in the High Schools and Universities . The foundation work should and ought to be the best Mr. Ross said that San Mateo County was one of the richest and most prosperous f any of the counties in the State and its schools should be the equal of any other if not better. He closed with praise for grammar schools saying that the great majority of our most prominent business men had gone out into the world with no more education than they had acquired in those institutions, and it was in those schools that the character of each child was formed and where competent guidance should be given him.

L. P. Behrens, president of Sequoia High School asked the Board for a slight raise.

The Board agreed to the raise on motion of MacBain seconded by Eikerenkotter the Auditor's estimate as amended was adopted as follows:

Bridge Not Accepted

Supervisor MacBain, Coleman and Ehrenkotter of this county and Supervisors Mitchell, Boyd, Ayer and Herman, and Surveyor McMillan of Santa Clara, met at the Pope street bridge at Palo Alto Tuesday and inspected the bridge The work has been badly done, the concrete in the arch has failed to set properly, and the top wall and wing on the east side of the bridge are out of line. Although Surveyor McMillan was of the opinion that the concrete would set when the rain comes, and that the steel in the arch would support it safely, it was thought best to allow the contractor to lay another layer of concrete over the top of the arch and straighten the walls and wings, before a decision was made and payment ordered.

Muster Meeting

The Christian Endeavor Society of this city held a muster meeting in the parlors of the Congregational Church, Saturday evening at which about fifty of the society were present. Mr. Hjalmar Holmquist was toastmaster and was most happy in his introductory remarks. Rev. C. G Baldwin of Palo Alto was the principal speaker and was followed by Roy W. Cloud, F. H. Thorpe, L. P. Behrens Rev C. C. Kirtland and others who made responsive remarks to the toasts which were announced. Prof O. M. Carrington enlivened the evening with several songs. The young people were so encouraged with the success of the banquet that it is proposed to make it an annual custom.

At the time I began their use, I was suffering from a weakness of the kidneys accompanied by severe backaches. I tried many remedies none of which gave me any relief. Finally I saw Doan's Kidney Pills highly recommended, and they gave me relief from the first, I continued taking them carefully and strictly according to directions, and they banished the weakness of the kidneys and since that time my strength and ambition has returned. I am now feeling fine and am glad to recommend Doan's Kidney Pills to others."
